

Hotel Rooms Blocked for Age-Group Zone Meet

Michigan Swimming will be participating in the Age Group Central Zone Meet at the Spire Institute, Geneva, Ohio which will take place, Friday-Sunday, August 1-3, 2014.

There is a group of **condos and homes** for rent at **Geneva-On-The-Lake, OH** located near the Spire Institute. I will not be blocking reservations at any of these but families may wish to do so; therefore, I am providing this information. Geneva-On-The-Lake, OH is about 6 miles from the Spire Institute. Locate the condos by logging onto www.VRBO.com and then clicking on the map of OHIO. This will open a list of Ohio cities and you would need to click on "GENEVA-ON-THE-LAKE" to view the information about the properties. If you are interested in any of these, I would suggest that you contact the owners promptly as I'm sure they fill up quickly.

In 2013, about 150 athletes attended the Age-Group Zone Meet at this facility. Be sure to reserve your rooms soon. And, remember to determine cancelation policies for the property you select in case you need to cancel.
